Dear Parents and Carers

You may have noticed some additional police presence in the Failsworth area. This follows an incident in Failsworth last Friday and the subsequent section 60 for last weekend that is covering a designated geographical area.

The incident last Friday led to two people being arrested near the Academy. Both of the individuals arrested are not associated with the Academy. A third person, again unrelated to our student community, was arrested on Saturday.

Additionally we have talked to the police last weekend and as part of their work they have focused on patrolling around the Failsworth area which has included the start and end of the school day. We are very grateful to them for this increased and proactive presence.

The police will continue to monitor events in and around the Failsworth area and we will happily work with them now and in the future to keep our students safe.

Yours sincerely

Phill Quirk
