Dear Parents/Carers,

Asthma Care Plans

We are writing to you as our records show that your child is registered as having Asthma.

To make sure we have the correct information in school to support your child if they need medical assistance or have an Asthma attack, we are asking for you to provide us with up to date information by sending us a completed copy of the School Asthma Card signed by a healthcare professional and a copy of any Asthma plan if applicable issued by your child's Asthma Nurse.

We have attached copies of the form on the website. If you already have a completed form, please can you send it in to us.

We also ask can you please send us a spare inhaler for your child in school if you haven't already done so and also make sure that your child has their own inhalers on them at all times. We will periodically check dates on all prescription medications held in school for your child and alert you if we need medication replacing.

Thank you for your understanding.

Your sincerely,

Healthcare Administrator
