Dear Parents/Carers,

Epilepsy Care Plan

We are writing to you as our records show that your child is registered as having Epilepsy.

To make sure we have the correct information in school to support your child if they need medical assistance or have a seizure, we are asking for you to provide us with up to date information by sending us a copy of your child's care plan issued by your child's epilepsy nurse.

We also ask can you please send us any rescue medication that is needed to be held in school if you have not already done this. We will periodically check dates on all prescription medications held in school for your child and alert you if we need medication replacing.

Thank you for your understanding

Your sincerely,

Healthcare Administrator
