Dear Parents & Carers

Period 6 for Year 10 Students going into Year 11 from September 2025

I am writing to follow up on a recent letter that outlined a new school day from September. This affects the whole Academy but it affects Year 11 from September 2025 (current Year 10) as they will have 3 additional Period 6s on Monday, Tuesday and Wednesday night. These are compulsory lessons.

On Monday Year 11 will have a 26th period which will be English and will allow us to give more curriculum time to this double GCSE subject. We will also run intervention style Period 6 sessions on Tuesday and Wednesday. On these two nights Year 11 students will receive timetabled, small group tuition which rotates on a 5-6 week basis. This is reviewed each rotation and changed as necessary. This allows for additional support and study in targeted subjects your child is studying. These Period 6s are not just another lesson, it is aimed to target areas that your child needs supporting in and where improvement can be made. Periodically, we may identify some Year 11 students for support with study skills, revision planning and other bespoke areas outside of the normal subjects offered.

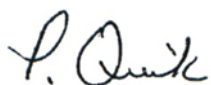

Period 6 will run until 4.00 pm on Monday, Tuesday and Wednesday. I have included the new school day times below.
