Co-op Academy
Failsworth

Dear Parents/Carers,

Parking Arrangements at the Academy

I am writing with regards to road safety on Brierley Avenue at the beginning and end of the school day. Please be mindful that approximately 1500 students exit the building at the same time and therefore I am asking that you be vigilant when driving on Brierley Avenue; please remember it is a maximum speed of 20 mph.

May I also remind you that we have identified a 'pick-up point' for parents who wish to collect students at the end of the day. Please do not park on the pavements along Brierley Avenue.

We have recently been informed that the Failsworth Sports Centre Car Park at the west end of the academy has recently installed Automatic Number Plate Recognition (ANPR) cameras. Please be aware that if you park in this car park, you may be issued with a fine. This car park is not owned by the Academy and is owned and operated by Oldham Community Leisure Limited (OCLL). All complaints regarding issuing of fines should be directed to OCLL as the Academy cannot support with these issues.

In addition, I would respectfully ask that you do not park in Brierfields Residential Care Centre opposite the visitors' car park. Brierfields need 24 hours access for ambulances to this area.

If your son/daughter has a particular medical issue please let us know and we will accommodate pick- up requests.

For more information about parking at the academy, please see our website here:
<https://www.failsworth.coopacademies.co.uk/students/the-academy-day>

Yours sincerely

Rebecca Shaw
