Dear Parents/Carers,

Travel Disruption: Industrial Action affecting Bus Services

You may have seen recent coverage of industrial action by Bee Network bus operators in your area due to take place on Friday 10th and Monday 13th October 2025. Due to this, some bus services will not be running on these days and students will need to find an alternative way to get to school.

We encourage all students to make their way to the Academy on these days and we will understand any punctuality issues and remove any late marks as a result of travel disruption. If your child is unable to make it to school on these days, please contact our Attendance Team and report this is due to travel disruption with the bus services. We politely ask that you do not use any other reason to report your child's absence for this circumstance.

When it's happening	Bus Services Affected
