

Subject: NHS Pharmacy First Service at Kamsons Pharmacy – Easy Access to Health Advice and Treatment

Dear Parents,

We all share the same priority when it comes to keeping our children happy, healthy, and in school, which is why we want to inform you about a fantastic service available at Kamsons Pharmacy, which is conveniently located near our school.

The NHS Pharmacy First service at Kamsons Pharmacy means that you can pop in, no appointment needed and receive expert advice and treatment for a variety of common health issues affecting your child or even yourself. The service covers the following conditions:

- **Earache** (1-17 years)
- **Sore throat** (5 years and over)
- **Sinusitis** (12 years and over)
- **Impetigo** (1 year and over)
- **Infected insect bites** (1 year and over)

This service is free and does not require a GP referral for any treatments. However, please note that there may be a charge for certain medications.

Kamsons Pharmacy can also assist with shingles for those over 18 and urinary tract infections (UTIs) for women aged 16-64, ensuring that all members of your family are well cared for.

We hope this service can help you and your family access the care you need quickly and conveniently.
